

AMBUSC Statement Re: COVID-19

May 11th 2020

Further to Ontario Soccer and Canada Soccer's decisions in [March and April](#), Ontario Soccer has made the announcement that [all soccer activity has been cancelled for the month of June](#).

AMBUSC supports the decisions of our governing bodies and partners with our community's best interests in mind.

Going forward, multiple scenarios are being considered which may include a modified Outdoor Season for 2020 or cancellation, if necessary. Updates will be communicated as they become available.

In the event that the season is lost, all registrations will be fully refunded. Registration remains open but we ask to only use the online payment option as this accelerates the refund process in the event that the season is lost.

We would also like to take a minute to thank all essential workers who continue to serve their community. Our first responders, health care workers, retail workers, truck drivers, maintenance staff, pharmacies, restaurants, delivery drivers, and many others playing a vital role at this time – THANK YOU! Your hard work and dedication does not go unnoticed.

AMBUSC promotes safe and healthy practices including social distancing, self-isolation, frequent hand washing, avoiding touching your face, coughing/sneezing in to your elbow and staying home if you are sick. For more information on healthy practices and COVID-19, visit the [Renfrew County District Health Unit](#) website.

We thank you for your patience in this unprecedented time. AMBUSC Executives are still available to [contact via email](#). In the meantime, we hope you all stay safe and healthy. We look forward to seeing you on the field when the time is right.

Best regards,

AMBUSC
Board of Directors
